doodle art for interiors

Kirkby Design have teamed up with NYC based, British artist Jon Burgerman, renowned for his playful, instantly recognisable illustrative style and fun drawing interventions.

Jon has created 12 original artworks digitally printed onto fabrics and cushions, bringing a colourful world bursting with creatures, characters and shapes to the interiors market.

Rainbow Scrawl

"Created as a standout design for the collection, I wanted to make a really colourful and slightly manic design that captures a real sense of movement and energy."

WobblePotamus

"I imagined a giant, lumbering wobblepotamus slinking down into a delta to loll about, splashing daubs of colourful mud all over the place."
