# An adventure in illustration

Childhood memories of whimsical story books are brought to life by captivating illustrations in this enchanting collection, designed in collaboration with three renowned children's picture book illustrators; Frann Preston-Gannon, Christopher Corr and Yuval Zommer. Picturebook recreates the joy of children's literature through an assortment of fun fabrics, wallcoverings and accessories bursting with wondrous creatures and scenes from far away places.

Join the adventure and discover gloriously playful prints, spirited sheers, lively embroideries, and ingenious wallcoverings. Let your imagination run wild with quirky cushions, witty rugs, spectacular murals and create your own fascinating scenes with our repositionable wall stickers.

## Chapter 1

### Frann Preston-Gannon

Frann Preston-Gannon illustrates her way through different animal habitats. Visit the lush and exotic Amazon rainforest meeting the chattering monkeys and fanciful birds that call it their home. Dive deep into the ocean and see the sea turtles dance in the seaweed. Shoals of twirling fish and playful seals swim beneath the frozen Arctic as polar bears float happily on the ice above.
