VILLA NOVA PICTUREBOOK

An Adventure in Illustration

Childhood memories of whimsical story books are brought to life by captivating illustrations in this enchanting collection, designed in collaboration with three renowned children's picture book illustrators; Frann Preston-Gannon, Christopher Corr and Yuval Zommer. The Picturebook collection recreates the joy of children's literature through an assortment of fun fabrics, wallcoverings and accessories bursting with wondrous creatures and scenes from far away places.

Embark on a journey to a world of boundless joy and wonder with cushions, rugs and repositionable wall stickers that feature playful scenes, larger than life patterns and creatures great and small. Spark the imagination and bring a room to life with vibrant colour and intriguing design.

And so the story begins ...
