LINARA HERRINGBONE

# Plain Perfection

Delicate detailing transforms the everyday into the unexpected; the subtle charm of an intricate herringbone weave and indulgent feel of soft, brushed cotton-linen create the epitome of style and versatility.

---

The perfect complement to Romo's extensive library of plains and semi-plains, Miro is the latest addition to our iconic Linara range. The irresistible peach-skin finish, synonymous with Linara, beautifully accentuates Miro's delicate herringbone weave.

Stunning in its simplicity and washable for practicality, Miro is offered in a comprehensive palette of 79 expressive and stylish shades. Rich teal, deep emerald green, warm earthy tones and timeless neutrals sit effortlessly alongside one another, creating the perfect go-to semi-plain for inspiring drapery and upholstery.
