

# ROMO

CONTRACT COLLECTIONS

○ 7820/04

○ 7821/02

Introducing three charming collections, combining exquisite design and sophisticated style on beautifully modern textures. Presented in an alluring colour palette, this interesting range of decorative, fire retardant weaves effortlessly exudes irresistible luxury.

Featuring wide-width drapery, versatile plains and bold geometrics, each collection is designed using Trevira CS and inherently fire retardant yarns which meet the rigorous international standards required for use in both contract and domestic applications.
