# VILLA NOVA

## Modernity, Style and Colour

Villa Nova is a young, vibrant British brand with an ethos of creating contemporary, versatile fabrics and wallcoverings for modern living. Through experimentation and innovation, the Villa Nova design studio creates forward thinking and inspiring collections in a trend focused colour palette.

# HANA

---

A trio of collections set against an expanse of sweeping wisteria and swathes of oversized, inky blooms; Hana captures the essence of the Japanese aesthetic, drawing inspiration from decorative crafts and motifs including intricately carved Japanese screens and the linear elements created with paper origami.

With a strong emphasis on hand painted artwork Hana prints, weaves and embroideries have been designed to sit alongside a collection of decorative upholstery weaves and an exciting anthology of inspirational wallcoverings.
